The Lenovo G560 notebook helps you take on multiple, mega-sized tasks and complete them quickly and efficiently, giving you more free time. The Lenovo G560 comes with technologies and features designed to make things easier. The new and improved Lenovo Energy Management provides not only extended battery life and long-term durability, but also keeps noise to a minimum with intelligent fan control, so you can concentrate on your work. And when it's time to play, the numeric keypad doubles up as ideal gaming controls, whilst the high-definition 16:9 widescreen display, integrated webcam and DVD reader/writer mean the Lenovo G560 is also equipped for entertainment.
